IT'S TIME TO BUILD A BRIGHTER FUTURE

For too many people, things aren't working as they should be.

Both the Conservatives and Labour are failing time and again to deliver a better future.

The Liberal Democrats' plan for government stands in stark contrast to the dreary offer from the Conservatives or Labour. They want to sever our ties with our closest allies abroad, harking back to the days of the empire or 1970's socialism.

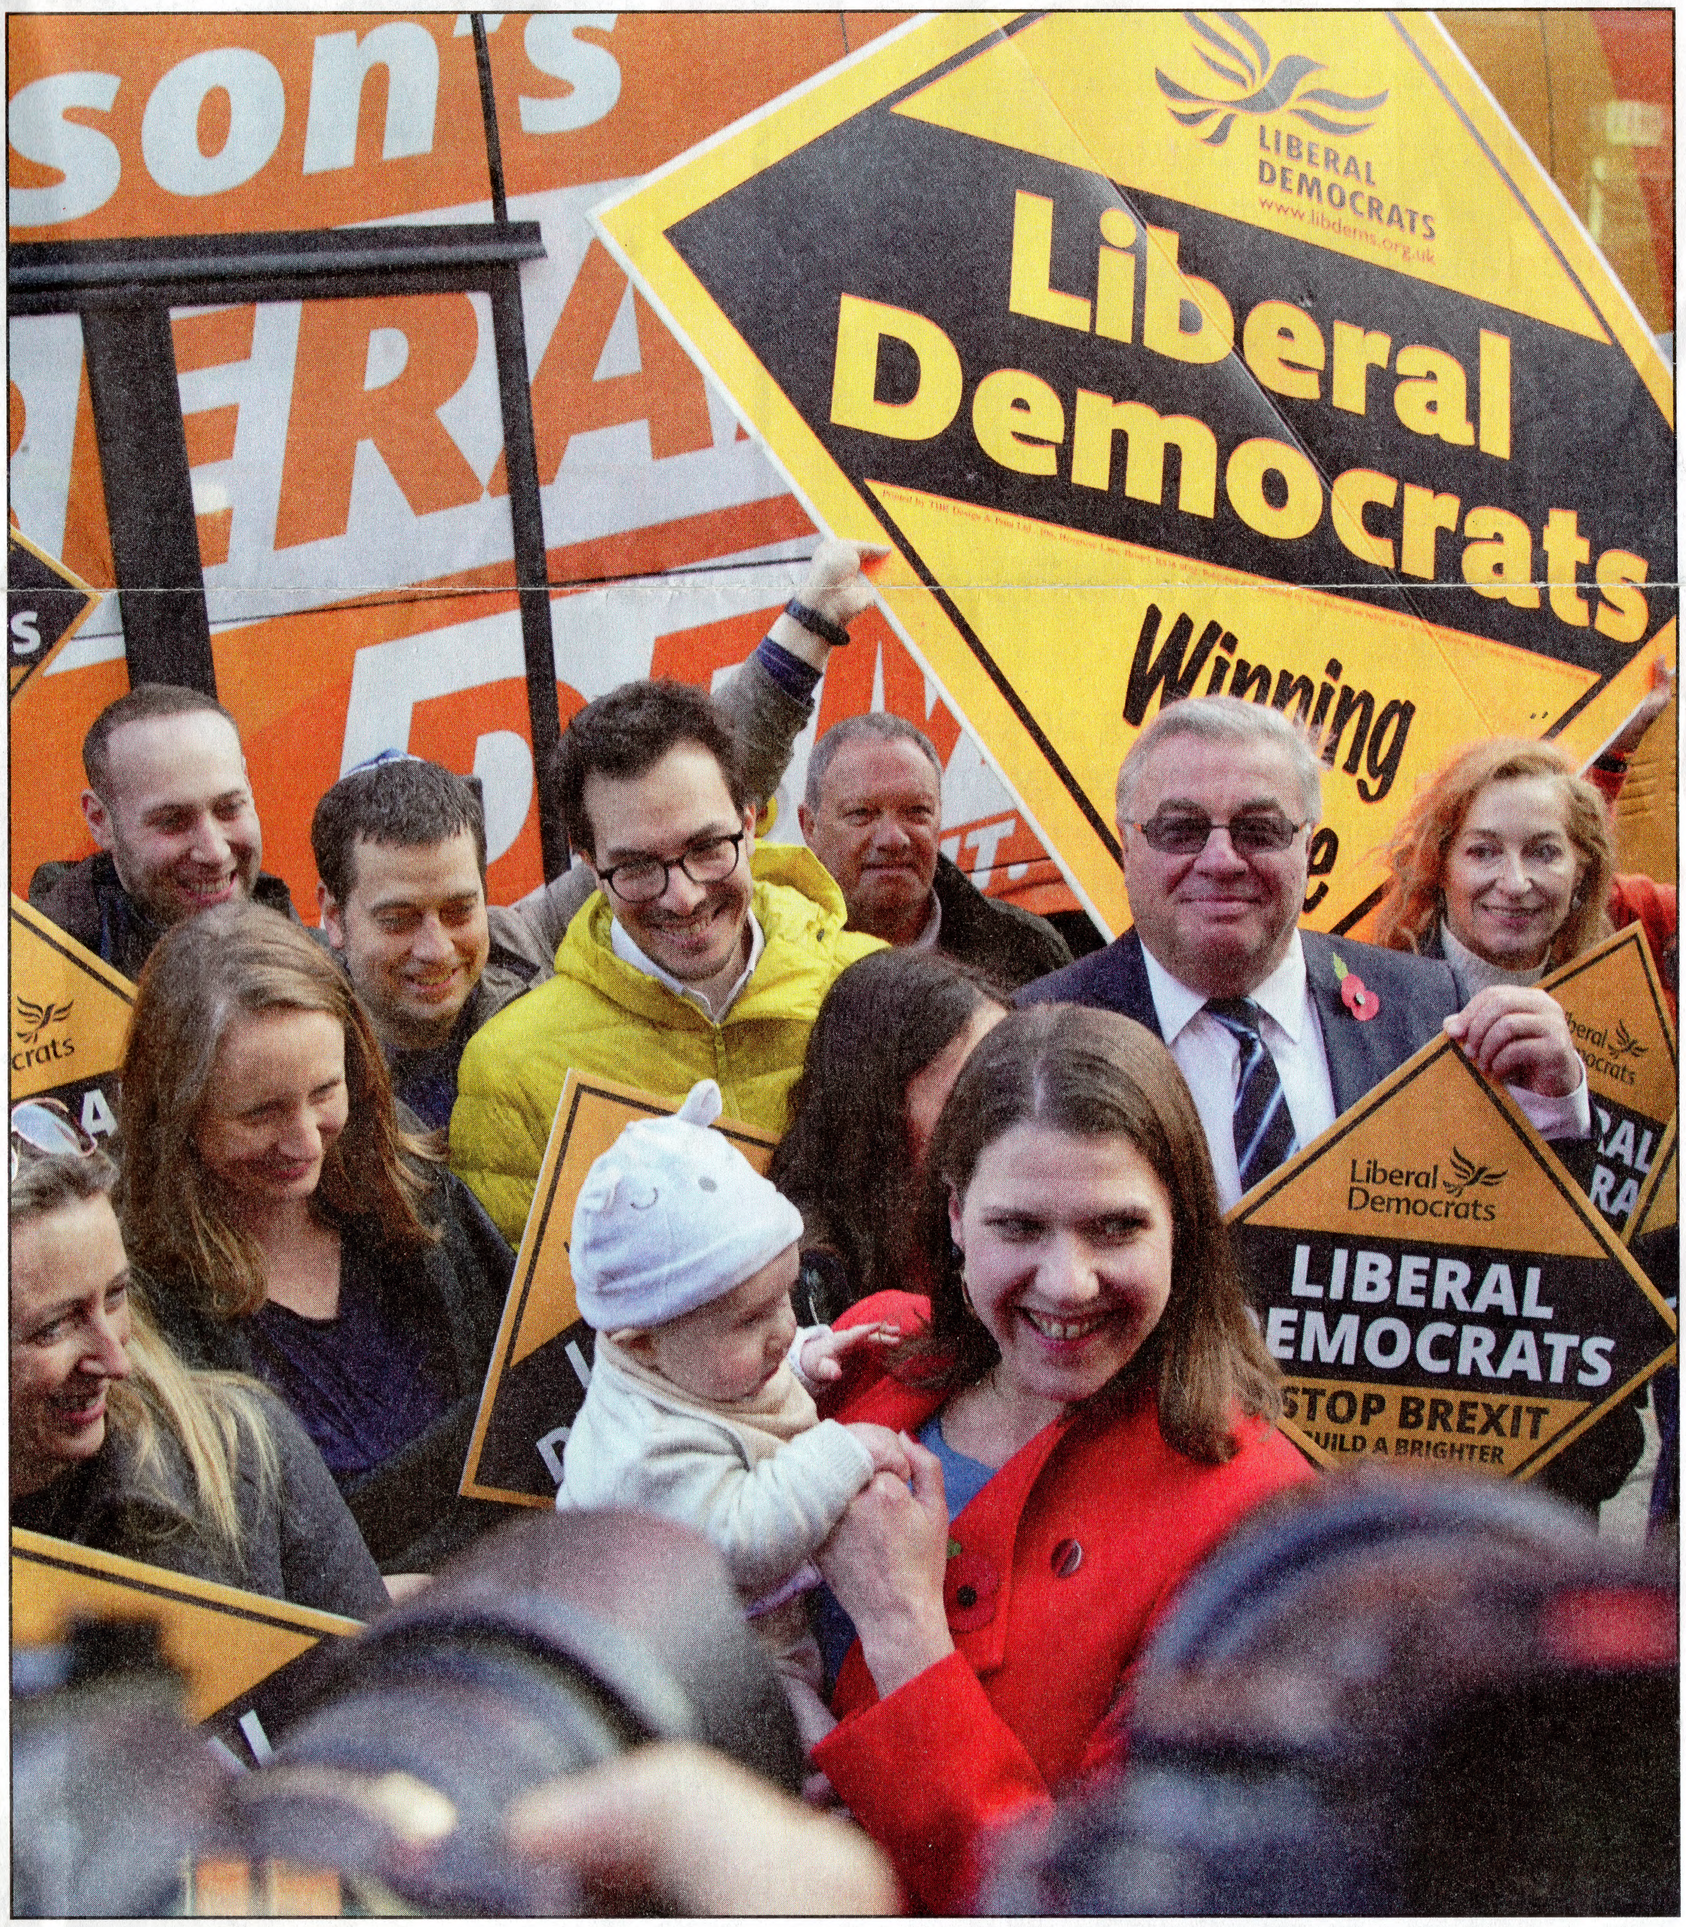

Whether it's the Conservatives' hostile environment or the Labour leadership's failure to root out anti-Semitism, both sow fear in our communities and allow hatred to spread.

Jo Swinson said, "We have an ambitious plan for the future of our country, where every single person, every community and our planet can thrive.

"A Liberal Democrat government will create a shared vision for the country we want to be, where every single person and community is valued, empowered and cared for, and where we protect our planet for future generations."

Jo added, "We will reinvent the relationship between business and the communities in which they operate, so that they are a part of the solution to our biggest challenges, not the problem.

"A Liberal Democrat government will stop Brexit and deliver a brighter future for everyone."

INSIDE: JO SWINSON'S PLAN FOR OUR COUNTRY'S FUTURE

BUILDING A BRIGHTER FUTURE

Millions of voters are switching to the Liberal Democrats to stop Boris Johnson destroying public services.

They have been joined by MPs from Labour and the Conservatives fed up with the broken politics the two old parties represent. Latest polls show Lib Dem support has soared since the 2017 General Election.

The Liberal Democrats have continued to grow following their stunning European Election result in May where the party beat both Labour and the Conservatives.

Our country deserves better than a choice between two divisive leaders like Boris Johnson and Jeremy Corbyn.

Only a Liberal Democrat government will fight for proper funding for our NHS and schools - and mend our broken politics so we can build a brighter future for our country.

Jo Swinson's team have a plan to build a brighter future.

A plan which will cut waiting times in our NHS, tackle the climate emergency, improve mental health services, provide more home care and recruit thousands of new teachers for our schools.

"The Conservatives have become a party promoting an extremist view of isolationism.

"It wasn't an easy decision to make but I could no longer campaign for them. The Lib Dems are a proudly internationalist party and the only pro-business party left."

Gabriel Rozenberg, former Conservative councillor

"I've worked in the green industry for 20 years now and it's clear to me the Liberal Democrats have the best plan to tackle the climate emergency.

"We can't afford to wait any longer and I trust Jo Swinson's Liberal Democrats to bring about the change we all so desperately need."

KING THE LIBERAL DEMOCRATS

"I firmly believe that Britain is better off in the EU. As a result I have now found a new home within the Liberal Democrats.

"I am proud to join a progressive party. I left Labour as a direct consequence of the direction in which the party is moving."

Fiona Dryburgh, former Labour councillor

"I'm backing the Liberal Democrats because they've led the fight for mental health provision in our NHS. As a psychiatrist I see all too often that mental health is put at the bottom of the pile, behind other illnesses - that has to stop. The Liberal Democrats will transform mental health services, ensuring that mental health is treated with the same urgency as physical health."

Mohsin Khan, Psychiatrist
